AN OPEN LETTER CONCERNING THE SPIRITUALISTIC EDUCATIONAL ASSOCIATION

Dear Friend:—

Will you please accept the following information? as it concerns you and many others who invested money, either as a loan, in the purchase of bonds or in the exchange of liberty bonds for the Spiritualistic Educational Association bonds, issued by a so-called "not for profit" corporation, bearing the signature of two men, Lloyd Kenyon Jones, president, and Frank J. Root, vice-president. Most of these bonds are to mature in 1929.

There are a number of pretty little coupons on the edges also—each calling for either 6 per cent or 7 per cent annually.

Well, my dear, it may be a shock and a most unpleasant surprise, yet following data is afforded you for your consideration:

On September 12, 1921, Lloyd Kenyon Jones filed papers in VOLUNTARY bankruptcy for the sum of One Hundred and Forty Thousand (\$140,000) Dollars. He scheduled assets valued at Three Hundred and Seventy-four (\$374.00) Dollars. He testified on the witness stand to having taken in Three Hundred and Fifty Thousand (\$350,000) Dollars in one year, and to have practically quit the management of this S. E. Association, owing everyone who would trust him from Seventy-five (75) Cents to several thousand dollars. Over Five Hundred (500) of these creditors are men and women in the humble walks of life, and they cheerfully loaned this man their all, because he was a skillful ad writer, and his business was that of seeing how many dollars he could transfer from our pockets to his.

He used the William T. Stead Memorial Center, an organization in this city composed of a number of sincere people interested in the truth of Spiritualistic phenomena, as a camouflage. The magazine "COMMUNICATION" he failed to continue as it suited his purpose to destroy. He openly acknowledged to us that he had an opportunity to sell it to a certain well-known capable gentleman who would have maintained it in high order. His comment was, "I would see it in h— first. I am sick of the Spiritualists. They are all hypnotized fools." Everything he had pledged to us, he repudiated, declaring there were no honest mediums, and specifically naming a number of the same whom he had entertained in his home and introduced to us Spiritualists in Chicago and neighboring towns, calling them fakes and their work disgustingly fraudulent.

We tell you this advisedly, as the man and his wife had frequently been our guests, had partaken of our hospitality and incidentally took our money to help his enterprise. If you look on the list of names I append to this letter, you will see this amounts to eight hundred (\$800.00) dollars. So much for the sacred trust of intimate friendship.

If you will see the amounts opposite this list of names you will find we all gave him of these small moneys over forty thousand (\$40,000.00) dollars. This is in addition to the merchandise he sold in his mail order business, which consisted of books, ouija boards, itongo boards, autograph, aluminum trumpets, oriental lessons at \$10.00 per, which were a travesty on the beloved ones in the Spirit World; a "Keep Well" Club also at \$10.00 per, joke number two, and last but not least, (the crowning insult to this great psychic force that envelops us) a chemical lamp black that he sold for five (\$5.00) dollars a box (costing him a few cents) with instructions how everyone who wished might open the doors to the invisible world and communicate with those who have passed on. This too, he declared in our presence that he knew would only produce static electricity—not spirits, but of course the spiritualistic fools would bite and buy. However, this gentleman has "reckoned without his host." "Uncle Sam," it seems, has had an eye on him in connection with other fraudulent schemers.

Upon our investigation of the matter we were informed by the Post Office Inspector of Chicago that the Government was collecting evidence, as numerous complaints had come from various parts of the United States, also the State's Attorney is now investigating his conduct and will extradite him when ready, for my dear reader, the gentleman with the facile pen has "skipped out." He has gone close to the Mexican border; is in Fort Worth, Texas, working on an oil well scheme, and if we don't stop him he will repeat his performance of selling other credulous people imaginary oil, as easily as he sold us "the blue sky."

Now will you do this much to help the State or the United States Government in preparing the case. You can do this by writing a letter stating what your dealings with this man consisted of.

Question 1. Did you loan him cash and how much?

Question 2. Did he request it by mail or did you transact the matter by mail?

Question 3. Did you exchange Liberty bonds, and what did he promise in exchange for them? S. E. A. stock or as a loan with interest?

If you wish, you may send your letter to Mr. Cavanagh, care State's Attorney Robert E. Crowe, Criminal Court Building, Dearborn and Austin Ave., Chicago, Illinois.

Also, write the same letter to Mr. Angier, Post Office Inspector, Federal Building, Adams and Clark Streets, Chicago, Illinois.

If you wish to write only one letter, then do so and send to us. We will faithfully see that it reaches the proper authorities, as we are assisting both the State and U. S. to prepare the case.

It may be this man has hidden this money so carefully that we may never find where nor how he concealed it, yet we feel it a duty to the Spiritualists all over the country to expose his duplicity. We were the only creditors to appear at the bankruptcy hearing and ask for an examination. We employed the best legal talent of Chicago for we felt that we were our brother's keeper. It seemed as though he knew the majority of the creditors would not be able to stop him in his plan to escape an honest adjustment.

In conclusion, this further information may be necessary to clarify the subject—the Spiritualistic Educational Association as attested to under oath, by Lloyd Kenyon Jones—as follows: The association consisted in its inception of three men, Lloyd Kenyon Jones, president-treasurer; Frank J. Root, vice-president and H. E. Healey, secretary. Both Root and Healey resigned from the association, leaving Jones its sole manipulator. The stockholders were only associate members, having no voice in the management or conduct of the business.

Again a final word, our personal expenditure in following up this case has been as follows:
To attorney's fees \$75.00
To Court Record 60.00
To printing and envelopes 75.00
To stamps 15.00
And an additional \$200.00 required by the State as extradition expense.

This \$200.00 will be refunded, however, if the State wins the case. The Government charges nothing. If you feel like helping us from a dime to a dollar, we will appreciate it for it has taken many hours from our office and many weary steps and endless energy to prosecute this matter.

We beg to be,

Most sincerely yours,

Dr. Charles A. Sedlack and Wife,
Dr. Charlotte W. Sedlack.
